

Övning "ett steg" Station 1

____ + ____ = ____
Steg 1 Steg 2 Slut

____ + ____ = ____
Steg 1 Steg 2 Slut

____ + ____ = ____
Steg 1 Steg 2 Slut

____ + ____ = ____
Steg 1 Steg 2 Slut

Namn: _____

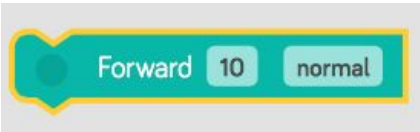

Övning "200 cm" Station 2

Namn: _____

Rita fyra olika algoritmer som visar att Dash går 200 cm framåt.

--	--	--	--

Övning "Hur många steg?" Station 3

Start	Steg	Slutpunkt
10	 A Scratch 'Forward' block with a teal background and a yellow border. The block has a notch on the left side. The text 'Forward' is on the left, followed by a small input field containing the number '10', and the word 'normal' is on the right.	70
20	 A Scratch 'Forward' block with a teal background and a yellow border. The block has a notch on the left side. The text 'Forward' is on the left, followed by an empty input field, and the word 'normal' is on the right.	90
10	 A Scratch 'Forward' block with a teal background and a yellow border. The block has a notch on the left side. The text 'Forward' is on the left, followed by an empty input field, and the word 'normal' is on the right.	50
35	 A Scratch 'Forward' block with a teal background and a yellow border. The block has a notch on the left side. The text 'Forward' is on the left, followed by an empty input field, and the word 'normal' is on the right.	35

Övning "100cm utan 10" Station 4 Namn: _____

Rita fyra olika algoritmer som visar att Dash går 100 cm framåt.
